

Scanning Probe Microscopy retrospective & future views

To honor Sidney Cohen on his 70th Birthday

JUNE 17th, 2026

The David Lopatie Conference Centre
Weizmann Institute of Science

OVERVIEW

The scientific topics of the conference will include fundamental Nanoscience, Materials Science, and Soft Matter Biology, reflecting and celebrating the diverse themes to which Sidney has contributed throughout his career.

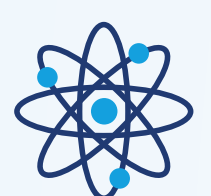

REGISTRATION & Poster Abstract Submission

Abstract Submission Deadline:
May 3, 2026

<https://shorturl.at/EtbPD>

KEY TOPICS

AFM and Nanotechnology | Microscopy | Soft matter
Surface Science

SPONSORED BY

- Faculty of Chemistry
- Department of Chemical Research Support
- Helen and Martin Kimmel Center for Nanoscale Science
- Tom and Mary Beck Center for Advanced and Intelligent Materials
- Goldschleger Conference Support Program

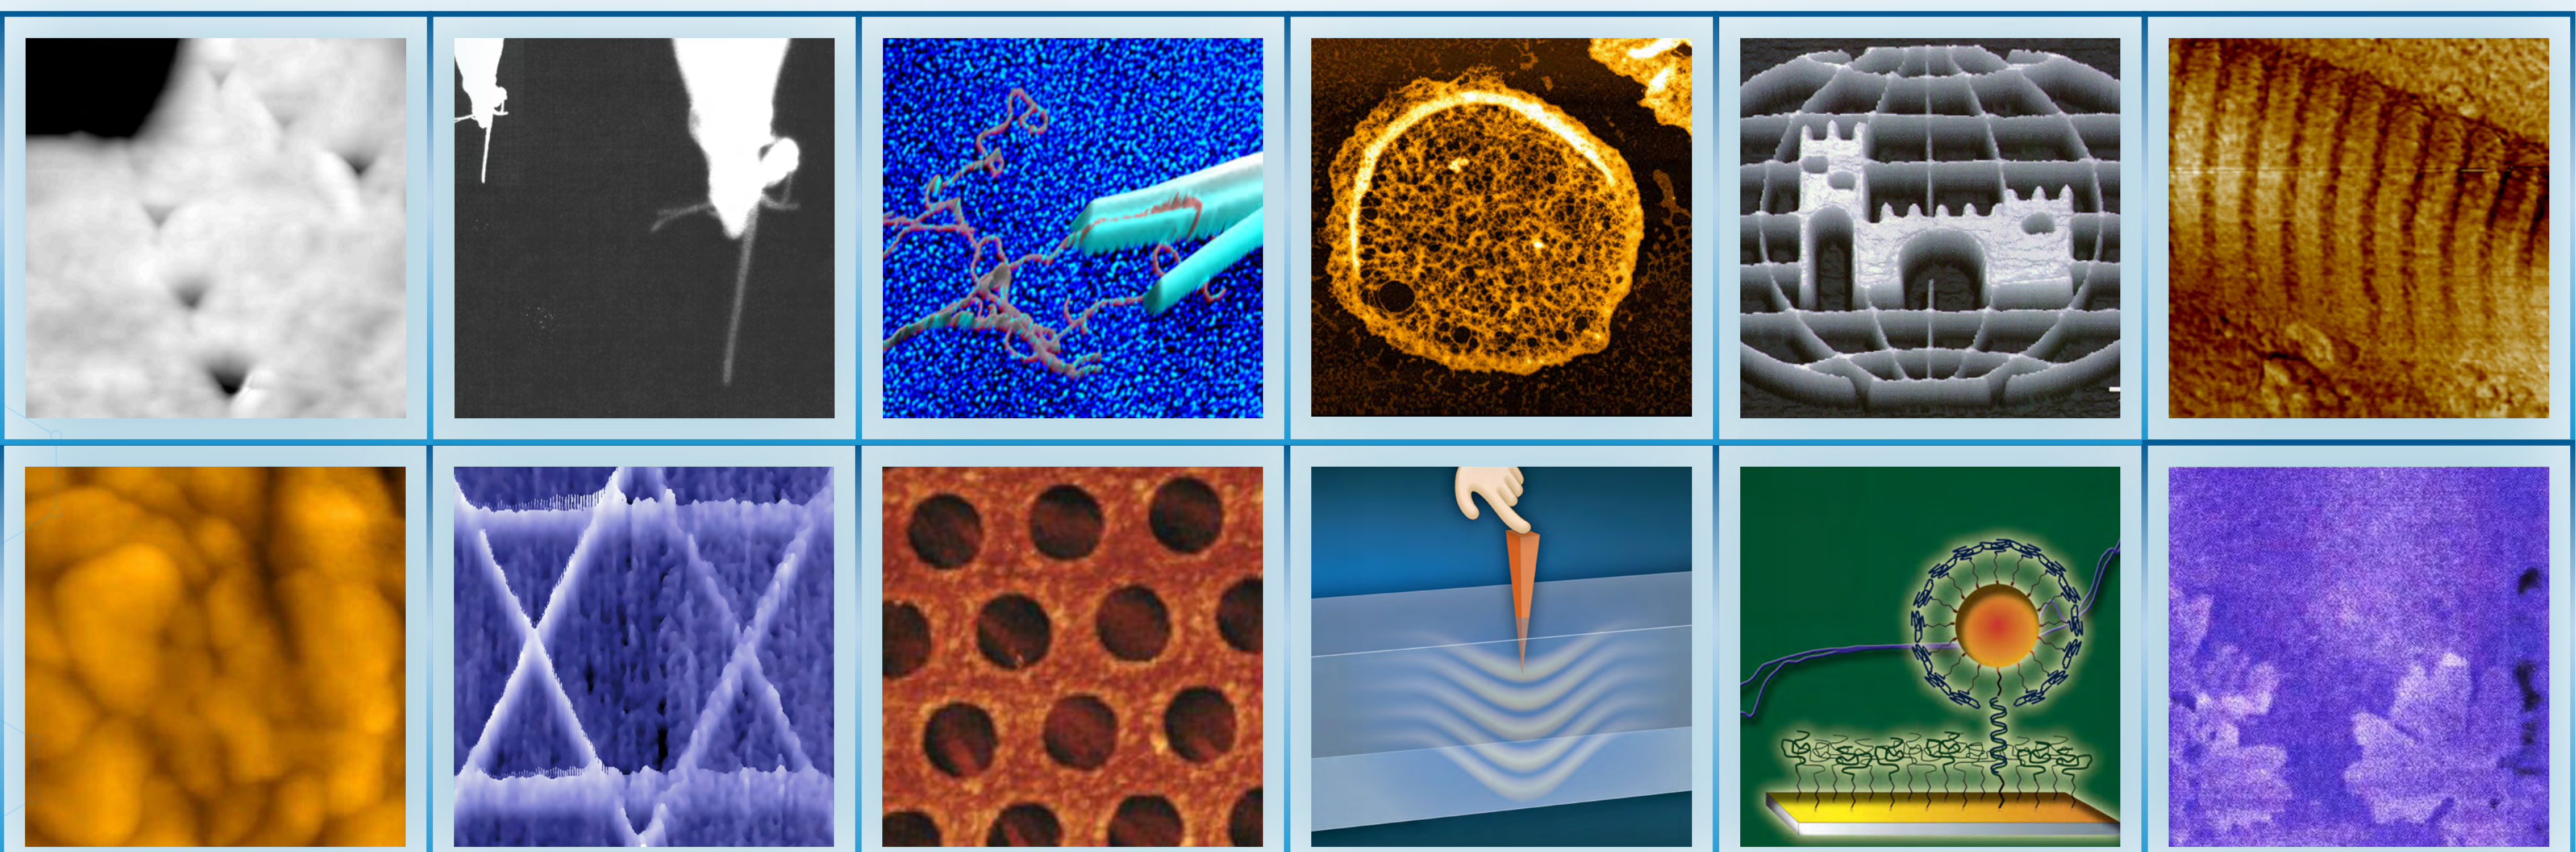

SPEAKERS

Dr. Ido Azuri	Prof. Yaron Paz
Prof. Ron Blonder	Prof. Jacob Sagiv
Prof. David Cahen	Prof. Christian Teichert
Prof. Ana Gomes-Silva	Prof. Reshef Tenne
Dr. Ifat Kaplan-Ashiri	Prof. Daniel Hanoch Wagner
Prof. Meir Lahav	Prof. Paul Weiss
Prof. Ron Naaman	

ORGANIZING COMMITTEE

Dr. Irit Rosenhek-Goldian
Dr. Nir Kampf
